**PROFILE**

I am an International law graduate with skills and keen interest in law, corporate compliance, and international commercial arbitration. I have competencies in;

- Designing and implementing policies, processes and strategies that drive good governance and integrate the principles of effective compliance into daily operations.
- Developing and revising regulations, policies and procedures for the general operation of the compliance programme, for example on anti-bribery, anti-corruption, conflicts of interest, gifts and hospitality, rights sales and due diligence.
- Ensure compliance with changes in privacy and data protection laws and technologies, including those related to cyber security, and advise Companies on best practices and implementation of these technologies.
