A dedicated finance professional with experience spanning about four years in domestic and international fiscal policy administration particularly in the areas of transfer pricing, direct and indirect taxation to local and multinational companies in Nigeria. I have worked on several engagements solving complex business problems across various sectors such as Oil & Gas, Fast Moving Consumer Goods (FMCG), Manufacturing, Financial services, and Information Technology, providing regulatory, compliance, structuring and advisory services specifically in the areas of Strategy, Transfer Pricing, Direct and Indirect taxes to local and multinational companies in Nigeria. I am looking to contribute to the growth of a globally focused organisation while diversifying my skillset in core finance-related roles and opportunities.

EMPLOYMENT HISTORY

PricewaterhouseCoopers Limited - Tax

Lagos, Nigeria

Senior Associate (Transfer Pricing & Corporate Tax Consulting)

October 2020 - present

- Increasing the efficiency of multinational business operations by assisting companies to save millions of dollars in penalties through provision of tax and transfer pricing advisory and compliance services.
- Assisting clients with informed decision-making by keeping my client portfolio up-to-date on the ever-changing landscape of domestic and international taxation, finance and transfer pricing through preparation of thought leadership materials such as articles and tax alerts on issues within the business and international tax environment.
- Safeguarding the reputation of client businesses by supporting clients with resolution of disputes with tax authorities and saving businesses millions of dollars in tax and transfer pricing assessments..
- Assisting clients with optimal decision-making by providing finance, regulatory, treasury and legal advisory to in-bound investors and start-ups looking to start business, invest in existing businesses and grow their business within Nigeria and across Western Africa.
- Provision of ad-hoc advisory services on local and international tax structuring, transfer pricing policy preparation and advisory, tax health check reviews, financial and legal advisory with respect to tax and transfer pricing matters.

Associate/Experienced Associate (Transfer Pricing)

November 2018 – October 2020

- Fostered 100% regulatory compliance for clients by assisting companies with preparation of benchmarking analysis reports using Transfer Pricing (TP) Catalyst software and Orbis, in order to avoid disputes with tax authorities regarding determination of the arm's-length nature of transactions.
- Played a pivotal role in improving business performance by keeping clients informed on the ever-changing landscape of domestic and international taxation, finance and transfer pricing through preparation of thought leadership materials such as articles and tax alerts on issues within the TP and international tax environment.
- Provided ad-hoc tax and transfer pricing advisory and compliance services to local and multinational companies and groups.

NYSC/Graduate Staff (Transfer Pricing)

January 2017 - November 2018

- Ensured 100% of client portfolio was kept abreast with the latest developments in the

Nigerian and global TP environment.

- Drove project management initiatives of the unit by managing consultants and associates bi-weekly commitment meetings which assisted job controllers to effectively delegate work to staff; created charts and reports which fed into unit performance assessment for effective decision making by management.
- Prepared benchmarking analysis reports using TP Catalyst software and Orbis, to assist clients in justifying arm's-length nature of transactions.
- Assisted clients to comply with Nigerian TP regulations by completing TP Declaration and Disclosure Forms and filing TP forms with the FIRS within stipulated timeline.
- Prepared industry and business analyses that served as a foundation for transfer pricing documentation reports.

Graduate Intern (People and Organisation)

September - November 2016

- Filed regulatory documents and levies e.g. Employee Compensation Scheme (ECS) and NSITF with relevant bodies.
- Assisted with internal risk assessment and management procedures.
- Assisted job controllers and managers with client billings by raising invoices and following up on their collection.
- Assisted with payroll preparation and consolidation for various clients across different industries.

Undergraduate Intern (Tax Technology)

May - July 2014

- Assisted with the implementation of a new document retention platform through migration of client documents from the old to the new platform.
- Streamlined operations of client's businesses through preparation of payroll accounts; filed annual tax returns, Value Added Tax (VAT) and Withholding Tax (WHT) returns; liaised with government tax officials (both FIRS and LIRS).
- Conducted research and generated insights on trending business and tax issues.
- Organized logistics for Breakfast Technical Training Sessions and Tax Academy programs.

KPMG Professional Services: TRPS Unit

Lagos, Nigeria

TRPS Undergraduate Intern

June – July 2013

- Conducted industry research for various clients on trending business and tax issues.
- Assisted managers with preparation and compilation of power point presentations for clients on various topics and across multiple industries.
- Acted as a scribe by documenting discussion highlights and action points from client meetings.
- Led other interns to execute the holiday group project.
