## WORK EXPERIENCE

---

- Fitch Group** **London, UK**  
Financial Institutions Data Analyst: Global Content Operations Aug 2021 – Nov 2022
- Performed daily analysis and quality assurance checks on financial statements presented on Fitch Connect for Banks, NBFIs and Insurance entities covered globally.
  - Liaised with Rating Analysts and made recommendations within each sector to improve the quality of data by aligning rating criteria across regions.
  - Supported Rating Analysts by analysing and spreading confidential statements into the database.
  - Improved external communication with clients by resolving data queries through Salesforce.
  - Provided training to Outsource Partners during the launch of two key NBFIs sectors: Alternative Asset Management and Financial Market Infrastructure.
- Woodhall Capital** **Lagos, Nigeria**  
Trainee Analyst: Corporate Lending and International Funding Jan 2020-Jan 2021
- Structured Trade Finance transactions of clients with the Corporate Lending team in the following sectors – downstream Oil & Gas, Real Estate, and Agriculture.
  - Facilitated the development of Factoring products for clients seeking to discount invoices.
  - Advised on risk criteria and KYC requirements for potential clients requesting Factoring facilities.
  - Prepared teasers to international funders (DEG, Norfund) following requests for general Credit Lines from Commercial Banks and Corporate clients.
  - Performed initial credit due diligence on clients, in preparation for the pre-screening stage of their requests to international funders.
- PwC Nigeria** **Lagos, Nigeria**  
Intern: Assurance Services Jul-Aug 2018
- Prepared and casted financial statements in the Customer and Industrial Products and Services department, exponentially increasing my knowledge of credit analysis.
  - Actively participated in the audit of Robert Bosch Nigeria, increasing my research skills and stakeholder management skills.
  - Conducted research on potential clients for partners prior to them being audited by the firm.

**The Access Bank UK****London, UK**

Intern: Wealth and Asset Management

Sep 2016

- Worked extensively on Bloomberg as a tool for tracking markets, investments and key financial news for use by investment managers.
- Updated yields and prices on bonds for customer discretionary portfolios.
- Updated marketing documents covering private banking investment products.
